acres of coal lands in Wise and Dick-
inson counties, Virginia, from the
Chick Field Corporation are H. E.
Hollins and Company, of New York,

nati.The purchase is believed to be the
explanation of the recently announced
determination of the Cincinnati, Ham-

bridge across the Ohio at Huntington
or Ponton and construct the 50 miles
of track to connect that road with the
coal fields of West Virginia, which

Jockey Club.**
(By Associated Press.)LONDON, Jan. 11.—A serious scan-
dal promises to develop in racing cir-
cles as a result of the Jockey Club's
action in interdicting Richard Croker
from training his horses at New Mar-
ket.The history of the affair given out
by friends of Mr. Croker is that when
at the New Market sales in September,
Mr. Croker appeared as a bidder for
certain yearlings, he was informed
that he was opposing Lord Marcus
Beresford, who, it is well known, has
entire charge of King Edward's rac-
ing stables. This did not deter Mr.
Croker, and it was suggested to him
that if he insisted in competing he
would not be allowed to train his
horses at New Market.Wouldn't Be Bluffed.
Mr. Croker, however, was not in-
fluenced, claiming that his conductwas not discourteous as he was dealing
through an agents who did not know
his adversary in the transactions and
merely carried out his instructions.A newspaper today says Mr. Croker
intends to sell his residence at Want-
age, England. For some months past
he has been living in Ireland, where, it
is reported, he will reside altogether
hereafter.**"PLAY BALL" APRIL 14.****National and American League
